TITLE

Paul L. Smith

This form is to be used in compliance with RULE 11.05.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviate tests taken on the well in accordance with RULE 11.05.

All versions of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of test well name or number, or transporter or other such changes.

Separate Form O-154 must be filed for each production unit or well.
