Re: Application for Exception to No-Flare Rule 306

Gentlemen:

We are returning your application for NFO permit for Blanco "5" Federal #1 and Amoco CP Federal #1. These are both "federal leases" and you will need to get approval to flare from the BLM.

We had at one time issued NFO I-665 for the Blanco 5 Federal but this was in error since this authority is issued by the BLM.

If you have further questions, please call.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
