- Outline the acreage dedicated to the subject well by colored pencil or machine ink on the plat below
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty)
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, face-pooling, etc.
☐ Yes ☐ No If answer is "yes," type of consolidation: _____

If answer is "no," list the owners and tract descriptions which have actually been consolidated. Use reverse side of this form if necessary.

No additional well be assigned to the well until all interests have been consolidated by communitization, unitization, face-pooling, or otherwise. Settle until a non-standard unit, eliminating such interests. This is approved by the Commission.
