|------------------------------|---------|--|-------|----------|
| All distri-                  |         | must be from the outer boundaries of the Sectt |       |          |
| Perator                      |         | Lease  |       |          |
| Mobil Producing T & NM, Inc. |         | Bridges-State                                  |       | Well No. |
| Unit Letter                  | Section | Township                                       | Range | County   |
| 0                            | 26      | 17 S   | 34 E  | Lea      |

Actual Location of Well:

|                    |                     |          |        |                    |                  |
|--------------------|---------------------|----------|--------|--------------------|------------------|
| 1100               | feet from the South | Line and | 2550   | feet from the East | Line             |
| Ground Level Elev. | Producing Formation | Pool     | Vacuum | Dedicated Acreage: | 2 wells 40 Acres |

- Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communityization, unitization, forced-pooling, etc?

Yes  No If answer is "yes," type of consolidation \_\_\_\_\_

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) \_\_\_\_\_

No allowable will be assigned to the well until all interests have been consolidated (by communityization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Division.
