Attention Mr. Charles A. Barber

Dear Mr. Barber:

As requested in your letter of October 8, 1985, you will be permitted to commingle Bone Spring and Wolfcamp production from your B Lee State Wells Nos. 7 and 8 for a period not to exceed 45 days. This 45 day period should give you ample time to obtain formal approval for the surface commingling required by Division Rule 303-A.

Yours very truly,

OIL CONSERVATION DIVISION
