RE: PRESSURE TEST DATED 1/14/1999
REQUESTED FOR TEMPORARY ABANDON

Gentlemen:

A request dated February 3, 1999, for Temporary Abandonment (TA) status was filed on your North Vacuum Abo Unit #287, located in Unit M, S26-T17S-R34E.

Due to the pressure test result, we cannot approve the C103 for TA status.

According to Rule 203, the casing must be pressure tested to a minimum of 500# for 30 minutes, before this status can be approved.

We are returning the test chart and Form C103 for your corrections.

If you have any questions, please contact Gary Wink at the number stated above.

Sincerely,

Chris Williams by Gary W. Wink
