Re: Flaring of Casinghead Gas

Gentlemen:

According to our records, permission to flare casinghead gas from your well/wells listed below has expired. Please, therefore, submit the enclosed Forms C-129 in triplicate requesting an exception to Division Rule 306.

Buckeye, 8601 JV-P #1, Unit D

29-17S-36E Lea

Vacuum, Grayburg-SA

In the event that the gas has been connected to a gathering facility, please submit Form C-104 designating the transporter and showing the connection date, rather than Form C-129.

Yours very truly
