Re: Wright #1-I
Section 12, T11S, R37E

Gentlemen:

As per your request dated July 14, 1986, the above-referenced well currently carried as Undesignated Strawn will be placed in the South Humble City Strawn Pool and the allowable increased to 445 barrels per day, top allowable for that pool, effective July 15, 1986.

Very truly yours,

OIL CONSERVATION DIVISION
