.

Gentlemen:

This will confirm your recent conversation with Evelyn Downs of this office. A 2000 barrel test allowable was assigned to this well for the month of April 1987. However, the 1830/S & 510/W is an unorthodox location for the South Shoe Bar Devonian Pool. We will be unable to assign a regular allowable for this well until you have obtained approval of this unorthodox location.

If waivers can be obtained from off-set operators the application can be expedited.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton Supervisor, District I
