Attn: David Hastings

Gentlemen:

In order to complete our records for the above-referenced well, please submit Form C-105, tabulated list of deviation surveys and logs if any were run on this well.

The six-month TA status granted for evaluation purposes expired September 1987, so you are requested to complete your plugging of the well or advise if you have other plans.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
