Gentlemen:

Our records indicate that you are record title owner of the above referenced potash leases.

Pursuant to special rules and regulations as set out by R-111-A, please be advised that Pennzoil Company is planning to drill a 13,500' Morrow test 660' FEL and 1980' FSL of Sec. 36-19S-33E in Lea County, New Mexico.

Should you have any objections to our drilling said well, please advise the undersigned in writing at the above letterhead address and advise the State of New Mexico in writing at P. O. Box 1980, Hobbs, New Mexico 88241-1980 within ten (10) days from receipt of this letter.

Failure to notify the undersigned and the State of New Mexico of your objections within ten (10) days from receipt of this letter shall be construed to mean that you have no objections to our drilling said well.

Should you have no objections, please sign below in the space provided and return one (1) fully executed copy of this letter to the undersigned and one (1) fully executed copy of this letter to the State of New Mexico as soon as possible.

We have enclosed herewith for your review a plat showing our proposed location and the location of your potash leases. We have also enclosed Form C-101 and Form C-102 being our application to drill and our well location and acreage dedication plat.
