Re: Application for Permit to Drill
Shipp #2-C, Sec. 11, T17S, R37E

Gentlemen:

We have approved your application for permit to drill the above-referenced well as amended. The well will come under the Humble City Strawn Pool which has 80-acre spacing units. As per verbal permission from Bill Crow with your company your acreage dedication plat has been amended to show a standup 80-acre unit in the northwest quarter which includes Unit C and Unit F.

Very truly yours,

OIL CONSERVATION DIVISION
