Re: Over Produced Casinghead Gas
Byers #1-I Sec. 3, T17S, R37E
Simmons Estate #1-N Sec. 3, T17S, R37E
Shipp Strawn Pool

Gentlemen:

Your May 3rd request to produce the above-referenced wells at 50% of their normal allowable until the over production is made up is hereby approved. This reduction in producing rate should bring the wells into balance within 6 months.

Very truly yours,

OIL CONSERVATION DIVISION
