Dear Bill,

Regarding your letter dated February 22, 1993, see attached, this letter is to correct the legal location. Originally, the footages were reported as 6600'FSL and 2030'FWL. The correct footages are 660'FSL and 2030'FWL. A copy of the corrected Form C-104 is also enclosed. This corrected Form C-104, along with a copy of this letter, will be sent to the oil Conservation Division office here in Hobbs.

I apologize for this oversight and hopefully it caused only minimal inconvenience. Your assistance is appreciated. Also, I look forward to seeing you again during the Natural Gas Fair in May.

Very truly yours,

G.P. (Pat) Crossley,
President
