RE: Corbin "13" Federal "A", Well #1
API No. 30-025-31698
Lea County, New Mexico

Gentlemen:

In accordance with the provisions of Oil Conservation Division Rule 1105, (C), Maralo, Inc., requests that the Division keep the enclosed Form C-105 Well Completion, accompanying attachments and logs confidential for the 90 day period beginning from completion date of the well.

We understand that this data may, when pertinent only, be introduced in any public hearing before the Division or its examiners or in any court of law, regardless of the request that they be kept confidential.

Thank you for your assistance on this request.

Sincerely,

A handwritten signature in cursive script that reads "Dorothea Owens".
