Re: Record #4-N, Sec. 26, T19S, R35E

Dear Mr. Savage:

As per your request, I am extending the date of the necessary cleanup of the pit at the above location until June 30, 1996.

The extension is contingent upon your drilling a new well in the vicinity and all cleanup in the area will be completed at the same time.

Very truly yours

OIL CONSERVATION DIVISION
