Subject: C-108 Application for Authorization to Inject

Dear Sirs:

With reference to a conversation with Bonnie in the Hobbs OCD office, I am forwarding a C-108 application for your approval. Attached you will find a copy of the "Proof Of Notice" required to begin the approval procedure. You will notice that one of the three offset operators have not returned their receipt (see Universal Resources; Sender receipt #Z359210648). This is the lessee of record according to the State's Central Records Office. Bonnie advised me that I have made the effort required under the Proof of Notice since it has been thirteen days from the date notification had been sent.

If there are any questions concerning this application, please call my office.

Sincerely,

Keith E. McKamey
