RE: STATE M #16, UNIT E, S34-T17S-R35E

Gentlemen:

The above referenced plugged wellsite was recently inspected by an Oil Conservation Division Representative, in an attempt to release the location.

However, before this can be done, the following items need to be completed.

1. Remove wellhead and connections from location site.
2. Remove all plastic flags from pit area.

When the above items have been done, contact Chris Williams at 505-393-6161 or sign this letter below and return it to the address listed above.

Sincerely,

A handwritten signature in cursive script that reads "Chris Williams".
