Dear Ms Marrujo:

On June 15, 2001, a policy change regarding Application for Permit to Drill (APD) extensions was issued by the New Mexico State Office, Bureau of Land Management, as Instruction Memorandum NM-2001-33. We are returning your Sundry Notice requesting an APD extension as the APD has already received one extension and is not eligible for extension.

If you plan to drill this well, you will need to resubmit a new APD. If you have any questions, please contact me at 505-234-5907.

Sincerely,

/s/ Mary J. Rugwell
