Dear Mr. Sexton

SUBJECT: STATE "A" LEASE, WELL NO. 10  
VACUUM; WOLFCAMP POOL- VACUUM; MIDDLE PENN POOL  
PROPERTY CODE 10120  
SECTION 31, T17S, R35E  
LEA COUNTY, NM

Shell Western E&P Inc. (SWEPI) hereby submits for approval, an Application for Multiple Completion for the subject well. Enclosed please find the following documentation to support our request.

1. An original and 4 copies of the completed Form C-107, Application for Multiple Completion;
2. Diagrammatic Sketch of the proposed Multiple Completion for this well;
3. Plat showing SWEPI State "A" Well Nos. 9 & 10 and all offset wells on offset leases completed in the Vacuum; Wolfcamp and the Vacuum; Middle Penn Pools;
4. List of the offset operators and their addresses, and
5. An electrical log for this well.

Pursuant to our conversation this morning, SWEPI also hereby respectfully requests temporary authority to surface commingle the Vacuum Wolfcamp and the Vacuum Middle Penn production from the subject well with the Drinkard production from the State "A" Well No. 9 in the "State A" Battery. This temporary authority is requested until we receive permanent surface commingling authority from the Oil Conservation Division in Santa Fe, NM.

SWEPI respectfully requests that all data pertinent to the subject well be held confidential until 90 days from the date of completion. Should you need any additional information, please do not hesitate to contact Yvonne Iverson at (713) 544-3226.

Yours very truly,

*for Yvonne T. Iverson*
