☐ AMENDED REPORT

I. REQUEST FOR ALLOWABLE AND AUTHORIZATION TO TRANSPORT

Operator name and Address Chesapeake Operating, Inc. P. O. Box 54525 Oklahoma City, OK 73154-1525		OGRID Number RT Jan. 1996 147179
Reason for Filing Code RT JAN 1996 386 BBL		
API Number 30-025-33178	Pool Name Humble City - Strawn	Pool Code 33490
Property Code 17932	Property Name SHAW	Well Number 2-16

II. Surface Location

UL or lot no.	Section	Township	Range	Lot Idn	Feet from the	North/South line	Feet from the	East/West line	County
G	15	17S	37E		2100'	N	2310'	E	Lea

Bottom Hole Location

UL or lot no.	Section	Township	Range	Lot Idn	Feet from the	North/South line	Feet from the	East/West line	County
G	15	17S	37E		2100'	N	2310'	E	Lea
Lea Code P	Producing Method Code	Gas Connection Date	C-129 Permit Number	C-129 Effective Date	C-129 Expiration Date				

III. Oil and Gas Transporters

Transporter OGRID	Transporter Name and Address	POD	O/G	POD ULSTR Location and Description
18053	Pride Pipeline P.O. Box 2436 Abilene, TX 79604 1-800-880-0603	2816974	Oil	Sec 15, 17S-37E 2100' fnl & 2310' fel Lea Co., NM
19797	Rowland Trucking Co PO Box 340 Hobbs NM 88240	2816974		3-4-96 Per Jerry Sexton

IV. Produced Water

POD	POD ULSTR Location and Description

V. Well Completion Data

Spud Date	Ready Date	TD	PBTD	Perforations
11-16-95		11,740'	11,500'	11,358-11,440
Hole Size	Casing & Tubing Size	Depth Set	Sacks Cement	

VI. Well Test Data

Date New Oil	Gas Delivery Date	Test Date	Test Length	Tbg. Pressure	Cog. Pressure
Choke Size	Oil	Water	Gas	AOF	Test Method
					SWABBING

I hereby certify that the rules of the Oil Conservation Division have been complied with and that the information given above is true and complete to the best of my knowledge and belief.

IF THIS IS AN AMENDED REPORT, CHECK THE BOX LABELED

AMENDED REPORT AT THE TOP OF THIS DOCUMENT

Report all gas volumes at 15.225 PSIA at 60°.

Report all oil volumes to the nearest whole barrel.

A request for allowable for a newly drilled or deepened well must be accompanied by a tabulation of the deviation tests conducted in accordance with Rule 171.

All sections of this form must be filled out for allowable requests on new and recompletable wells.

Fill out only Sections I, II, III, IV, and the operator certifications for changes of operator, property name, well number, transporter, or other such changes.

A separate C-104 must be filled for each pool in a multiple

completion.

Improperly filled out or incomplete forms may be returned to operator's office.

Operator's name and address

Operator's OGRID number. If you do not have one it will be assigned and filed in by the District office.

Reason for filling code from the following table:

3. Reason for filling code from the following table:

4. The API number of this well

5. The name of the pool for this completion

6. The pool code for this pool

7. The property code for this completion

8. The property name (well name) for this completion

9. The well number for this completion

10. The surface location of this completion NOTE: If the United States government survey designates a Lot Number for this location use that number in the 'UL or lot no.' box. Otherwise use the OCD unit letter.

11. The bottom hole location of this completion

12. Lease code from the following table:

13. The producing method code from the following table:

14. MODA/YR that this completion was first connected to a gas transporter

15. The permit number from the District approved C-129 for this completion

16. MODA/YR of the C-129 approval for this completion

17. MODA/YR of the expiration of C-129 approval for this completion

18. The gas or oil transporter's OGRID number

19. Name and address of the transporter of the product

20. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

21. Product code from the following table:

22. The ULSTR location of this POD if it is different from the well completion location and a short description of the POD (Example: "Battery A Water Tank", "Jones CPD Water Tank", etc.)

23. The POD number of the storage from which water is moved from this property. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

24. The ULSTR location of this POD if it is different from the well completion location and a short description of the POD (Example: "Battery A Water Tank", "Jones CPD Water Tank", etc.)

25. MODA/YR drilling commenced

26. MODA/YR this completion was ready to produce

27. Total vertical depth of the well

28. Plugback vertical depth

29. Top and bottom perforation in this completion or casing shoe and TD if openhole

30. Inside diameter of the well bore

31. Outside diameter of the casing and tubing

32. Depth of casing and tubing. If a casing liner show top and bottom.

33. Number of sacks of cement used per casing string

34. The following test data is for an oil well it must be from a test conducted only after the total volume of load oil is recovered.

35. MODA/YR that new oil was first produced

36. MODA/YR that gas was first produced into a pipeline

37. Length in hours of the test

38. Flowing tubing pressure - oil wells

39. Shut-in tubing pressure - gas wells

40. Flowing casing pressure - oil wells

41. Shut-in casing pressure - gas wells

42. Diameter of the choke used in the test

43. Barrels of oil produced during the test

44. Barrels of water produced during the test

45. MCF of gas produced during the test

46. Gas well calculated absolute open flow in MCF/D

47. The method used to test the well:

F Flowing
P Pumping
S Swabbing
I Other method please write it in.

48. The signature, printed name, and title of the person authorized to make this report, the date this report was signed, and the telephone number to call for questions about this report

49. The previous operator's name, the signature, printed name, and title of the previous operator's representative, authorized to verify that the previous operator no longer operates this completion, and the date this report was signed by that person

50. MODA/YR of the C-129 approval for this completion

51. MODA/YR of the expiration of C-129 approval for this completion

52. The gas or oil transporter's OGRID number

53. Name and address of the transporter of the product

54. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

55. Product code from the following table:

56. MODA/YR that this completion was first connected to a gas transporter

57. The permit number from the District approved C-129 for this completion

58. MODA/YR of the C-129 approval for this completion

59. MODA/YR of the expiration of C-129 approval for this completion

60. The gas or oil transporter's OGRID number

61. Name and address of the transporter of the product

62. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

63. Product code from the following table:

64. MODA/YR that this completion was first connected to a gas transporter

65. The permit number from the District approved C-129 for this completion

66. MODA/YR of the C-129 approval for this completion

67. MODA/YR of the expiration of C-129 approval for this completion

68. The gas or oil transporter's OGRID number

69. Name and address of the transporter of the product

70. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

71. Product code from the following table:

72. MODA/YR that this completion was first connected to a gas transporter

73. The permit number from the District approved C-129 for this completion

74. MODA/YR of the C-129 approval for this completion

75. MODA/YR of the expiration of C-129 approval for this completion

76. The gas or oil transporter's OGRID number

77. Name and address of the transporter of the product

78. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

79. Product code from the following table:

80. MODA/YR that this completion was first connected to a gas transporter

81. The permit number from the District approved C-129 for this completion

82. MODA/YR of the C-129 approval for this completion

83. MODA/YR of the expiration of C-129 approval for this completion

84. The gas or oil transporter's OGRID number

85. Name and address of the transporter of the product

86. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

87. Product code from the following table:

88. MODA/YR that this completion was first connected to a gas transporter

89. The permit number from the District approved C-129 for this completion

90. MODA/YR of the C-129 approval for this completion

91. MODA/YR of the expiration of C-129 approval for this completion

92. The gas or oil transporter's OGRID number

93. Name and address of the transporter of the product

94. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

95. Product code from the following table:

96. MODA/YR that this completion was first connected to a gas transporter

97. The permit number from the District approved C-129 for this completion

98. MODA/YR of the C-129 approval for this completion

99. MODA/YR of the expiration of C-129 approval for this completion

100. The gas or oil transporter's OGRID number

101. Name and address of the transporter of the product

102. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

103. Product code from the following table:

104. MODA/YR that this completion was first connected to a gas transporter

105. The permit number from the District approved C-129 for this completion

106. MODA/YR of the C-129 approval for this completion

107. MODA/YR of the expiration of C-129 approval for this completion

108. The gas or oil transporter's OGRID number

109. Name and address of the transporter of the product

110. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

111. Product code from the following table:

112. MODA/YR that this completion was first connected to a gas transporter

113. The permit number from the District approved C-129 for this completion

114. MODA/YR of the C-129 approval for this completion

115. MODA/YR of the expiration of C-129 approval for this completion

116. The gas or oil transporter's OGRID number

117. Name and address of the transporter of the product

118. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

119. Product code from the following table:

120. MODA/YR that this completion was first connected to a gas transporter

121. The permit number from the District approved C-129 for this completion

122. MODA/YR of the C-129 approval for this completion

123. MODA/YR of the expiration of C-129 approval for this completion

124. The gas or oil transporter's OGRID number

125. Name and address of the transporter of the product

126. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

127. Product code from the following table:

128. MODA/YR that this completion was first connected to a gas transporter

129. The permit number from the District approved C-129 for this completion

130. MODA/YR of the C-129 approval for this completion

131. MODA/YR of the expiration of C-129 approval for this completion

132. The gas or oil transporter's OGRID number

133. Name and address of the transporter of the product

134. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

135. Product code from the following table:

136. MODA/YR that this completion was first connected to a gas transporter

137. The permit number from the District approved C-129 for this completion

138. MODA/YR of the C-129 approval for this completion

139. MODA/YR of the expiration of C-129 approval for this completion

140. The gas or oil transporter's OGRID number

141. Name and address of the transporter of the product

142. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

143. Product code from the following table:

144. MODA/YR that this completion was first connected to a gas transporter

145. The permit number from the District approved C-129 for this completion

146. MODA/YR of the C-129 approval for this completion

147. MODA/YR of the expiration of C-129 approval for this completion

148. The gas or oil transporter's OGRID number

149. Name and address of the transporter of the product

150. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

151. Product code from the following table:

152. MODA/YR that this completion was first connected to a gas transporter

153. The permit number from the District approved C-129 for this completion

154. MODA/YR of the C-129 approval for this completion

155. MODA/YR of the expiration of C-129 approval for this completion

156. The gas or oil transporter's OGRID number

157. Name and address of the transporter of the product

158. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

159. Product code from the following table:

160. MODA/YR that this completion was first connected to a gas transporter

161. The permit number from the District approved C-129 for this completion

162. MODA/YR of the C-129 approval for this completion

163. MODA/YR of the expiration of C-129 approval for this completion

164. The gas or oil transporter's OGRID number

165. Name and address of the transporter of the product

166. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

167. Product code from the following table:

168. MODA/YR that this completion was first connected to a gas transporter

169. The permit number from the District approved C-129 for this completion

170. MODA/YR of the C-129 approval for this completion

171. MODA/YR of the expiration of C-129 approval for this completion

172. The gas or oil transporter's OGRID number

173. Name and address of the transporter of the product

174. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

175. Product code from the following table:

176. MODA/YR that this completion was first connected to a gas transporter

177. The permit number from the District approved C-129 for this completion

178. MODA/YR of the C-129 approval for this completion

179. MODA/YR of the expiration of C-129 approval for this completion

180. The gas or oil transporter's OGRID number

181. Name and address of the transporter of the product

182. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

183. Product code from the following table:

184. MODA/YR that this completion was first connected to a gas transporter

185. The permit number from the District approved C-129 for this completion

186. MODA/YR of the C-129 approval for this completion

187. MODA/YR of the expiration of C-129 approval for this completion

188. The gas or oil transporter's OGRID number

189. Name and address of the transporter of the product

190. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

191. Product code from the following table:

192. MODA/YR that this completion was first connected to a gas transporter

193. The permit number from the District approved C-129 for this completion

194. MODA/YR of the C-129 approval for this completion

195. MODA/YR of the expiration of C-129 approval for this completion

196. The gas or oil transporter's OGRID number

197. Name and address of the transporter of the product

198. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

199. Product code from the following table:

200. MODA/YR that this completion was first connected to a gas transporter

201. The permit number from the District approved C-129 for this completion

202. MODA/YR of the C-129 approval for this completion

203. MODA/YR of the expiration of C-129 approval for this completion

204. The gas or oil transporter's OGRID number

205. Name and address of the transporter of the product

206. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

207. Product code from the following table:

208. MODA/YR that this completion was first connected to a gas transporter

209. The permit number from the District approved C-129 for this completion

210. MODA/YR of the C-129 approval for this completion

211. MODA/YR of the expiration of C-129 approval for this completion

212. The gas or oil transporter's OGRID number

213. Name and address of the transporter of the product

214. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

215. Product code from the following table:

216. MODA/YR that this completion was first connected to a gas transporter

217. The permit number from the District approved C-129 for this completion

218. MODA/YR of the C-129 approval for this completion

219. MODA/YR of the expiration of C-129 approval for this completion

220. The gas or oil transporter's OGRID number

221. Name and address of the transporter of the product

222. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

223. Product code from the following table:

224. MODA/YR that this completion was first connected to a gas transporter

225. The permit number from the District approved C-129 for this completion

226. MODA/YR of the C-129 approval for this completion

227. MODA/YR of the expiration of C-129 approval for this completion

228. The gas or oil transporter's OGRID number

229. Name and address of the transporter of the product

230. The number assigned to the POD from which this product will be transported by this transporter. If this is a new well or recompletable and this POD has no number the district office will assign a number and write it here.

231. Product code from the following table:

232. MODA/YR that this completion was first connected to a gas transporter

233. The permit number from the District approved C-129 for this completion

234. MODA/YR of the C-129 approval for this completion

235. MODA/YR of the expiration of C-129 approval for this completion

236. The gas or oil transporter's OGRID number
