		(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Bass Enterprises Production Company had completed the plugging of the referenced well. The location has been thoroughly cleaned including the ripping and re-seeding. A fence surrounding the location has been left as per the ranchers request. It will be taken down when the rancher is satisfied with the re-growth of the vegetation.
