Gentlemen:

The above well was a Dry Hole and is now Plugged and Abandoned. The well file is incomplete. We have not received the full set of LOGS for this well. The logs are required according to the Rules and Regulations. The bond for this well will not be released until we get the logs.

Please send these logs to the District I Hobbs office. If you have any questions on this matter, please call (505) 393-6161 ext. 115 for Donna Pitzer.

Yours truly,

OIL CONSERVATION DIVISION
