Gentlemen:

Per a telephone conversation between Jeff and Donna Pitzer on November 9, TMBR/Sharp will not drill this well at this location. They plan to move and drill in the S/2 of Sec, 11, but would like to use the same property name and well number. Therefore, approval of your permit to drill this well has been canceled and no drilling operations are to be initiated without further notice to and approval by the Oil Conservation Division. This location will be considered as an abandoned location.

Very truly yours,

OIL CONSERVATION DIVISION
