Section 34, T19S, R33E
Lea County, New Mexico

Dear Mr. Williams:

In response to our previous conversation concerning the Secretary Pot Ash in Section 34, T19S, R33E, Nearburg Producing Company (NPC) proposed the casing design below. Mr. David Glass, with the BLM, said there are no Pot Ash leases in this section. Therefore, NPC request permission to utilize a casing design that has been used in this section, as well as surrounding areas.

<u>Hole Size</u>	<u>Casing Size</u>	<u>Depth</u>	
17-1/2"	13-3/8"	500'	Cement sufficient to depth, circ to surface.
12-1/4"	8-5/8"	5,250'	Cement will be two stages using DVTool with sufficient cement to surface.
7-7/8"	5-1/2"	13,700'	Cement to meet State & Federal requirements.

If you have any questions or comments regarding this amendment, please call me at (915) 686-8235.

Sincerely,

H. R. Willis / KS
