

A topographic map segment showing a portion of the Texas-New Mexico border. The border runs diagonally from the bottom left towards the upper right, labeled "TEXAS-NEW MEXICO". A thick black line representing a "PIPELINE" crosses the border near the bottom left corner. Contour lines are drawn throughout the area, with elevations such as 3700, 3710, 3715, 3720, 3725, 3730, 3735, 3740, and 3745. Several points are marked with dots and labels: "Well 3720" appears twice; "Well 3729"; "Well 3719"; "Well 3711"; "Well 3708"; "Well 3726"; "Well 3720" at the bottom; "BM 3720"; "Drill Hole"; "BOTTOM HOLE"; "MIDWAY 23 #1"; and "SURFACE". Section numbers 13, 14, 23, 24, 25, 26, 27, and 28 are visible. Grid lines, both solid and dashed, form a rectangular pattern across the map.
