Re: Stout-Slate No. 1
Sec. 16, T20S, R32E

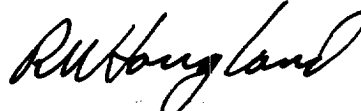

Dear Mr. Lovelady:

I wish to thank you for your telephone call notifying us of your proposed change in the casing program for the Stout-Slate well.

As I informed you during our conversation, International will offer no objection to your proposal to use 9 5/8" casing for your surface string.

Thank you again for your cooperation.

Very truly yours,

R. W. Hougland
Chief Geologist
