13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This is to inform you that we will be activating the above mentioned well on 12-4-94, to remove this well from TA status.

We now have an ample supply of injection water due to the re-activation of our well, Teas Yates Unit #5-4, which produces substantial amounts of water.
