Re: Federal "A" No.2-C
Sec. 14, T-20-S, R-33-E

Dear Sir:

It is our understanding that the above described well has been drilled deeper, although our records do not reflect any workover. If work has been done on this well, please submit appropriate state or federal forms outlining the work done as required by Rule 1128 of the New Mexico Oil Conservation Commission Rules and Regulations.

Yours very truly,

OIL CONSERVATION COMMISSION

OIL CORPORATION COMPANY

OFFICE OF THE SECRETARY

Washington, D.C.

Washington, D.C.
February 1, 1941

Dear Sir:
Reference is made to your letter of January 28, 1941, regarding the proposed acquisition of the assets of the United States Oil Corporation by the United States Oil Corporation.

Very truly yours,

The proposed acquisition of the assets of the United States Oil Corporation by the United States Oil Corporation is a matter of public interest and should be given careful consideration. It is noted that the proposed acquisition is being made by the United States Oil Corporation, a corporation organized under the laws of the State of Texas, and that the assets of the United States Oil Corporation are being acquired for the purpose of operating the same as a public utility. It is noted that the proposed acquisition is being made by the United States Oil Corporation, a corporation organized under the laws of the State of Texas, and that the assets of the United States Oil Corporation are being acquired for the purpose of operating the same as a public utility.

Sincerely yours,

Very truly yours,

W. H. H. H.
Secretary
