Re: Gas-Oil Ratio - Lynch Pool

We have your Gas-Oil Ratio Report for February-March-April, 1961. We note that under Lynch Field on page 34 of this report you show us as having not filed a C-116 report.

This letter is to advise that our #1 Roach well located SE/4 NE/4 Section 34, Township 20 South, Range 34 East, was plugged and abandoned on December 3, 1960. A Subsequent Report of Abandonment was filed with the United States Geological Survey on January 9, 1961, and approved by that office on January 19, 1961.

Yours very truly,
