Re: Cactus Federal SWD #3-D, Sec 6, T20S, R35E

Gentlemen:

It has come to our attention that the conversion to SWD is complete on the above referenced well.

As stated in Division Order SWD-387, you are required to submit a monthly report (Form C-120-A) reporting the volume of water disposed and the injection pressure.

We request that you submit a report for each month that the well has been in operation and that you keep the reports current.

We are enclosing some forms (C-120-A) for your use in submitting the reports. The forms are self-explanatory, but if you have any questions, you may call Bonnie Prichard at (505) 393-6161.

Very truly yours
