Gentlemen:

Herewith is submitted in triplicate, application for exception to the No-Flare Order for the T. F. Hodge Leo V. Sims No. 1 located 660' from the south line and 1980 feet from the east line of Section 24, T-20-S, R-35-E. This well has a gas-oil ratio of 510 to 1 and the gas volume to be flared is 23.6 MCF.

This lease consists of the NE/4 and W/2 SE/4 of Section 24, T-20-S, R-35-E. The Sims No. 1 is the only completed well on the lease at this time.

The well is 4 miles from the nearest gas gathering line and it is not economically feasible to justify the laying of a line at this time.

In view of the foregoing, it is respectfully requested that an exception to the No-Flare Order be granted this well.

Yours very truly,

Wayne Herrin, Supt.
