Dear Mr. Herrin:

A check of the file for your Sims No. 1 in Unit O of Section 24, T-20-S, R-35-E indicates that you were notified by form letter dated June 13, 1957 that it would be necessary for you to either obtain a gas connection or a No-Flare Order for the well by August 14, 1957. However as yet we have no record that you have complied.

This is to advise you that within five days after receipt of this letter you must either file Form C-110 showing a gas connection or an application for an exception of the No-Flare Order to avoid cancellation of allowable for this well.

Yours very truly,

OIL CONSERVATION COMMISSION
