

JOHN W. WEST ENGINEERING COMPANY

412 NORTH DAL PASO
HOBBS, NEW MEXICO

February 25, 1958

Pan American Pet. Corp.
Hobbs, New Mexico

Gentlemen:

On February 24, 1958 a survey was made to locate your State "B" Well No. 2 at a point 990 feet from the North and 330 feet from the East lines of Section 1, Township 19 South, Range 36 East, N.M.P.M., Lea County, New Mexico.

A flag was set on the USGLO $\frac{1}{4}$ Corner marker common to Section 1&6 and the transit was set up on the Witness Corner USGLO Brass marker 46.2 feet south of the Northeast corner of Section 1, Thence chained 943.80 feet South from Witness Corner, thence West 330 feet to proposed well site. As a check we chained East 330 feet and thence South 1659.0 feet to $\frac{1}{4}$ corner marker common to Section 1&6 checking in within 0.24 feet of the designated distance for this Section.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,
John W. West
