Re: Reclassification -- Eumont-Y-SR-Qu Pool
New #1-A Sec 26, T20S, R36E
Monument #1-H Sec 12, T19S, R36E

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced wells in the Eumont-Y-SR-Qu Pool, the wells will be reclassified as gas wells in the Eumont Pool effective September 1, 1986, and the oil allowables will be cancelled that date.

If for some reason you feel this test does not reflect the proper classification of the well, please submit another test for our consideration.

Please advise this office when you have complied with the provisions of Division Order R-8170 governing gas wells in the Eumont Gas Pool in order that a gas allowable can be assigned.

Very truly yours,

OIL CONSERVATION DIVISION
