Gentlemen:

Effective September 1, 1963 your Lea State DA No. 1 located in Unit H of Section 14, T-19-S, R-36-E will be reclassified as a gas well in the Eumont Gas Pool and the oil allowable will be cancelled that date. The reclassification is necessitated due to the reported gas-oil ratio, which is 183,500 to 1.

A gas allowable will be assigned when you have complied with the provisions of Commission Order No. R-1670 as it pertains to the Eumont Gas Pool and have notified this office.

Yours very truly,

OIL CONSERVATION COMMISSION

Mr. J. B. ...
New Mexico

Dear Sir:

Reference is made to your letter of June 28, 1934, in which you request that the Commission issue a permit for the drilling of an oil well in the ...
The Commission has considered your application and has determined that the same should be granted on the following conditions:

1. That you shall be responsible for the cost of the drilling and completion of the well.
2. That you shall be responsible for the cost of the transportation of the oil to the market.

Very truly,
Sincerely,

OIL CONSERVATION COMMISSION
