Attention: Mr. W. E. Owen

Gentlemen:

Reference is made to your letters dated February 2, 1956, and March 13, 1956, in which you requested an extension to the 90-day flaring provision of Order R-553. The request was for your State "R" Well Nos. 1 and 2 in the S/2 SE/4 of Section 22, Township 19 South, Range 36 East, Eument Gas Pool.

You are hereby granted an extension to flare gas from the two above wells as an exception to Order R-553 for a period of 60 days or until May 15, 1956, while Warren Petroleum Corporation is making the necessary arrangements to connect said wells.

When these wells are connected to Warren Petroleum Corporation's system, please submit new Forms C-110 indicating the connection.

Very truly yours,

**W. B. Macey
