Gentlemen:

On November 14, 1955, we forwarded an application for 320-acre Gulf-Sun non-standard gas proration unit with Gulf's Graham-State "C" Well No. 8 to be used as the unit well. The plat accompanying the application was in error in that it showed the section to be Section 26, T-19-S, R-36-E.

We are enclosing a corrected plat showing the correct section number which is Section 25, T-19-S, R-36-E.

Yours very truly,
