Gentlemen:

This is to advise that on July 24, 1982 the Getty Oil Company's A.L.Christmas B #1 gas well located in Unit M of Section 25, Township 19S, Range 36E, Lea County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso's 100# gathering system. (Meter #60-256-01)
