Dear Sir:

RE: Skelly A. L. Christmas Well No. 1,
25-198-36E, Lea County - for dual completion

We have your letter of January 13 suggesting that a 'DC' order be issued to cover the dual completion of the captioned well, which was actually effected in 1949. I believe that this can be done. However, I would suggest that you comply with the nominal provisions of Order R-316, Rule 112-A, and write to all offset operators involved, furnishing us with advice that this has been done, just as you would in a current application. I think there will be no delay then in securing the formal approval.

Very truly yours,

W. B. Macey
