New Mexico Oil Conservation Commission Hobbs, New Mexico

Attention: Mr. S. J. Stanley,

Engineer District 1

Gentlemen:

We are in receipt of approved copy of Notice of Intention to Drill our Persons Well No. 1, in Unit 0, Sec. 27, Twp. 19-S, Rge. 36-E, Lea County, New Mexico, and have noted your remark "Sufficient cement must be used behind oil string to cover salt section." We will be governed accordingly.

Will you please change your records to show LaMance Drilling Company, P. O. Box 2686, Midland, Texas, as the drilling contractor on this well, instead of Blount Drilling Company, Midland, Texas, as originally shown.

Sincerely yours,

STUART HUNT, TRUSTEE
