## NEW EXICO OIL CONSERVATION COMPISSION

Santa Fe, New Mexico

## MISCELLANEOUS NOTICES

Submit this motion in triplicate to the Gil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations
