

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MAY 3 1937

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	X	REPORT ON DEEPENING WELL
REPORT ON RESULT OF PLUGGING OF WELL

Date

OIL CONSERVATION COMMISSION,
SANTA FE, NEW MEXICO.

Gentlemen:

Following is a report on the work done and the results obtained under the heading noted above at the _____

Amerada Petroleum Corporation State "D" Well No. 4 in the _____
Company or Operator Lease

NE 1/4 NW 1/4 of Sec. 1, T. 20, R. 36, N. M. P. M.,
Monument Field, Lea County.

The dates of this work were as follows: _____

Notice of intention to do the work was [~~was not~~] submitted on Form C-102 on April 30, 1937 19____
and approval of the proposed plan was [was not] obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

12 1/2" 40# 8-Thd. New Lapweld casing was set in this well at 198' and cemented by the Halliburton Method with 200 sacks.

Cement was drilled out of the casing and the hole was then bailed dry and allowed to stand undisturbed for one hour. The bailer was then run to bottom again to determine if any water had accumulated. No water had accumulated so the drilling was then resumed.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also highlights the need for transparency and accountability in all financial dealings.

In the second part, the document outlines the various methods used to collect and analyze financial data. It describes the process of gathering information from different sources, such as banks, businesses, and individuals, and how this data is then processed and analyzed to identify trends and patterns. The document also discusses the importance of using reliable and accurate data sources.

The third part of the document focuses on the role of technology in financial management. It discusses how advances in technology, such as computerized accounting systems and data analytics, have revolutionized the way financial data is collected, processed, and analyzed. The document also highlights the importance of staying up-to-date with the latest technological developments in the field.

In the fourth part, the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also highlights the need for transparency and accountability in all financial dealings.

The fifth part of the document discusses the various methods used to collect and analyze financial data. It describes the process of gathering information from different sources, such as banks, businesses, and individuals, and how this data is then processed and analyzed to identify trends and patterns. The document also discusses the importance of using reliable and accurate data sources.

The sixth part of the document focuses on the role of technology in financial management. It discusses how advances in technology, such as computerized accounting systems and data analytics, have revolutionized the way financial data is collected, processed, and analyzed. The document also highlights the importance of staying up-to-date with the latest technological developments in the field.

In the seventh part, the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also highlights the need for transparency and accountability in all financial dealings.

The eighth part of the document discusses the various methods used to collect and analyze financial data. It describes the process of gathering information from different sources, such as banks, businesses, and individuals, and how this data is then processed and analyzed to identify trends and patterns. The document also discusses the importance of using reliable and accurate data sources.

The ninth part of the document focuses on the role of technology in financial management. It discusses how advances in technology, such as computerized accounting systems and data analytics, have revolutionized the way financial data is collected, processed, and analyzed. The document also highlights the importance of staying up-to-date with the latest technological developments in the field.

In the tenth part, the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also highlights the need for transparency and accountability in all financial dealings.

The eleventh part of the document discusses the various methods used to collect and analyze financial data. It describes the process of gathering information from different sources, such as banks, businesses, and individuals, and how this data is then processed and analyzed to identify trends and patterns. The document also discusses the importance of using reliable and accurate data sources.

The twelfth part of the document focuses on the role of technology in financial management. It discusses how advances in technology, such as computerized accounting systems and data analytics, have revolutionized the way financial data is collected, processed, and analyzed. The document also highlights the importance of staying up-to-date with the latest technological developments in the field.

In the thirteenth part, the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.
