

## NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MAY 1 1937

## MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS	<b>X</b>	REPORT ON REPAIRING WELL
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track every aspect of their operations, from procurement to sales.

2. The second section focuses on the role of technology in modern business operations. It highlights how digital tools can streamline processes, reduce errors, and improve overall efficiency. The author argues that embracing technology is not just a competitive advantage but a necessity for long-term success in today's market.

3. The third part of the document addresses the challenges of managing a diverse workforce. It discusses the importance of fostering a culture of inclusivity and providing opportunities for professional growth. The text suggests that managers should focus on understanding the needs and strengths of their team members to maximize productivity and morale.

4. The fourth section explores the impact of market fluctuations on business strategy. It advises organizations to remain flexible and adaptable, regularly reviewing their goals and adjusting their plans as needed. The author stresses that proactive risk management is key to navigating uncertain economic conditions.

5. The final part of the document concludes with a call to action, urging leaders to stay committed to their vision and values. It reminds them that success is often achieved through persistence and a willingness to embrace change. The text ends with a note of optimism, suggesting that with the right approach, any organization can overcome its challenges and thrive.
