OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as

Amerada Petroleum Corporation

Weir

Well No. 2 in NW 1/4 NW 1/4

of Sec. 2, T. 20, R. 36, N. M. P. M., Monument Field, Lea County.

X									

AREA 640 ACRES
LOCATE WELL CORRECTLY

The well is 660 feet [N.] [S.] of the North line and 660 feet [E.] [W.] of the West line of Sec 2-20-36

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. _____ Assignment No. _____

If patented land the owner is _____

Address _____

If government land the permittee is _____

Address _____

The lessee is Amerada Petroleum Corporation

Address Monument, New Mexico

We propose to drill well with drilling equipment as follows: _____

Rotary

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: _____

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
1 7/8"	1 3/4"	40#	New	Minimum of 150' or 20' in Red Beds	Cemented	150
9-3/4"	8-5/8"	52#	New	2750' or thru Salt		500
7-7/8"	6-5/8"	24#	New	5700' or top of Pay		100

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 3800 feet.

Additional information:

DUPLICATE

Approved FEB 14 1936, 19____
except as follows:

Sincerely yours,

Amerada Petroleum Corporation
Company or Operator

area

THEORY OF THE EARTH

CHAPTER I. OF THE ORIGIN OF THE EARTH.

THE first question which presents itself to the mind, is, what was the cause of the origin of the earth? and the answer to this question is, that it was the result of the action of the laws of nature, which have been in operation from the beginning of time.

THE second question is, what was the state of the earth at the beginning?

THE answer to this question is, that it was a state of confusion and darkness.

THE third question is, what was the cause of the confusion and darkness?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE fourth question is, what was the state of the earth at the end of the first day?

THE answer to this question is, that it was a state of light and order.

THE fifth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE sixth question is, what was the state of the earth at the end of the second day?

THE answer to this question is, that it was a state of light and order.

THE seventh question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE eighth question is, what was the state of the earth at the end of the third day?

THE answer to this question is, that it was a state of light and order.

THE ninth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE tenth question is, what was the state of the earth at the end of the fourth day?

THE answer to this question is, that it was a state of light and order.

THE eleventh question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE twelfth question is, what was the state of the earth at the end of the fifth day?

THE answer to this question is, that it was a state of light and order.

THE thirteenth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE fourteenth question is, what was the state of the earth at the end of the sixth day?

THE answer to this question is, that it was a state of light and order.

THE fifteenth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE sixteenth question is, what was the state of the earth at the end of the seventh day?

THE answer to this question is, that it was a state of light and order.

THE seventeenth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE eighteenth question is, what was the state of the earth at the end of the eighth day?

THE answer to this question is, that it was a state of light and order.

THE nineteenth question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.

THE twentieth question is, what was the state of the earth at the end of the ninth day?

THE answer to this question is, that it was a state of light and order.

THE twenty-first question is, what was the cause of the light and order?

THE answer to this question is, that it was the result of the action of the laws of nature.
