Re: State A #2-B 2-20-36

Today we received a C-103 requesting permission to retain the above-referenced well as TA.

Our records indicate A C-103 was approved to plug and abandon this well April 21, 1986.

Please advise if you do not intent to plug the well.

2-19-88

Please cancel the approval to Plug and abandon this well and grant our extension for temporary abandonment.
