

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

MINISTERIAL REPORTS ON TRADING

The following reports were received from the various ministers of commerce and trade in the different countries of Europe, Asia, Africa, and America, during the month of January, 1880.

France. The French minister of commerce, M. de Freycinet, reports that the trade of France during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the wine, silk, and cotton trade, were all well advanced.

Germany. The German minister of commerce, M. von Bismarck, reports that the trade of Germany during the month of January was also generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the iron, coal, and grain trade, were all well advanced.

America. The American minister of commerce, M. de Freycinet, reports that the trade of America during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the cotton, sugar, and tobacco trade, were all well advanced.

Spain. The Spanish minister of commerce, M. de Freycinet, reports that the trade of Spain during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the wine, silk, and cotton trade, were all well advanced.

Italy. The Italian minister of commerce, M. de Freycinet, reports that the trade of Italy during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the silk, cotton, and grain trade, were all well advanced.

Portugal. The Portuguese minister of commerce, M. de Freycinet, reports that the trade of Portugal during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the wine, silk, and cotton trade, were all well advanced.

Russia. The Russian minister of commerce, M. de Freycinet, reports that the trade of Russia during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the grain, coal, and iron trade, were all well advanced.

China. The Chinese minister of commerce, M. de Freycinet, reports that the trade of China during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the silk, cotton, and grain trade, were all well advanced.

Japan. The Japanese minister of commerce, M. de Freycinet, reports that the trade of Japan during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the silk, cotton, and grain trade, were all well advanced.

India. The Indian minister of commerce, M. de Freycinet, reports that the trade of India during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the cotton, sugar, and tobacco trade, were all well advanced.

Australia. The Australian minister of commerce, M. de Freycinet, reports that the trade of Australia during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the wool, coal, and grain trade, were all well advanced.

South America. The South American minister of commerce, M. de Freycinet, reports that the trade of South America during the month of January was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the cotton, sugar, and tobacco trade, were all well advanced.

Summary. The summary of the reports shows that the trade of all the countries mentioned above was generally better than in the corresponding month of the previous year. The principal branches of commerce, such as the cotton, sugar, and tobacco trade, were all well advanced.
