

N. MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commissioner or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Hobbs, New Mexico Place

March 17, 1948

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the A. Cooper
Well No. 9 in 554' f/N & 766'
Barnsdall Oil Company Lease
of Sec. 12, T. 20S, R. 36E, N. M. P. M., Monument f/E
County. Lea Field.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

After drilling to a T.D. of 10,625' without finding oil or gas we plan on setting 7" casing at approximately 6900' and cementing. 30' of cement will be left in casing and we will perforate to test the Drinkard and Paddock Zones. If commercial production is found in either of these zones we plan to squeeze above and below that zone.

Approved _____, 19 48
