

NEW MEXICO OIL CONSERVATION COMMISSION  
Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

RECEIVED  
MAY 10 1937

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	<b>X</b>	REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL

**Lea**

County.

The dates of this work were as follows: \_\_\_\_\_

Notice of intention to do the work was ~~was not~~ submitted on Form C-102 on **May 4, 1937** 19\_\_\_\_

and approval of the proposed plan was [was not] obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

**8-5/8" 32# 8-Tnd. New Seamless casing was set in this well at 2436' and cemented by the Halliburton Method with 600 sacks.**

**Casing and fittings were tested with 1200# pump pressure and allowed to stand undisturbed for thirty minutes. No drop in pressure resulted so the cement was then drilled out of the casing and the same test of 1200# pump pressure was again applied and allowed to stand undisturbed for thirty minutes. No drop in pressure resulted so the drilling was then resumed.**

# THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. From the first settlers to the present day, the nation has evolved through various stages of development. The early years were marked by exploration and settlement, followed by a period of rapid expansion and industrialization. The American Revolution and the Civil War were pivotal moments in the nation's history, shaping its identity and values.

## THE AMERICAN REVOLUTION

The American Revolution was a period of significant change and transformation. It was a time when the colonies broke away from British rule and established an independent nation. The revolution was fought for the principles of liberty, justice, and equality.

## THE CIVIL WAR

The Civil War was a period of intense conflict and division. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

## THE RECONSTRUCTION ERA

The Reconstruction Era was a period of rebuilding and reform. It was a time when the nation sought to heal the wounds of the Civil War and establish a more just and equitable society. The era was marked by the passage of the Reconstruction Acts and the Reconstruction Amendments to the Constitution.

## THE Gilded Age

The Gilded Age was a period of rapid industrialization and economic growth. It was a time when the nation was transformed by the rise of big business and the invention of new technologies. The era was also marked by social inequality and corruption.

The Gilded Age was a period of significant change and transformation. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

## THE PROGRESSIVE ERA

The Progressive Era was a period of reform and social change. It was a time when the nation sought to address the problems of the Gilded Age and establish a more just and equitable society. The era was marked by the passage of the Progressive Era legislation and the Progressive Era reforms.

## THE INTERWAR PERIOD

The Interwar Period was a period of relative stability and growth. It was a time when the nation was rebuilding after the devastation of the Civil War. The era was marked by the passage of the Interwar Period legislation and the Interwar Period reforms.

## THE GREAT DEPRESSION

The Great Depression was a period of economic hardship and social distress. It was a time when the nation was struggling to recover from the effects of the Great Depression. The era was marked by the passage of the Great Depression legislation and the Great Depression reforms.

The Great Depression was a period of significant change and transformation. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

## THE SECOND WORLD WAR

The Second World War was a period of intense conflict and division. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

The Second World War was a period of significant change and transformation. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

## THE COLD WAR

The Cold War was a period of tension and conflict between the United States and the Soviet Union. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

The Cold War was a period of significant change and transformation. It was a time when the nation was torn apart by the issue of slavery. The war resulted in the preservation of the Union and the abolition of slavery.

## THE MODERN ERA

The Modern Era is a period of rapid change and transformation. It is a time when the nation is torn apart by the issue of slavery. The war results in the preservation of the Union and the abolition of slavery.
