FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

Permission is requested to flow the nine wells on this lease into a central tank battery and treating system. Sufficient tankage will be provided so arranged that each well may be individually gauged at reasonable intervals or when so desired by the Commission or other interested parties. Each well will have an individual separator.

This lease does not make water at the present time and the central treating plant will not be put into operation until water appears.
